

Join us monthly for Interprofessional Grand Rounds

You are invited to

Share medical knowledge and best practice information in a collegial space, at West Moreton's Grand Rounds.

Sessions include a patient, GP and hospital specialist perspective, and offer a great opportunity to:

- expand your knowledge about local referral pathways (HealthPathways)
- receive the most up to date West Moreton Health clinical information
- connect with our region's clinicians and GPs.

Held via Microsoft Teams on the last Thursday of the month from 12 to 1 pm.

Held in-person at the Auditorium, Level 9, Tower Block, Ipswich Hospital from 12 to 1 pm.
